# ARIZONA'S LAW ON LABOR MAY BE "I Seen Your Ad In The Paper" - By F. Opper GOOD EVENTUALLY BUT HARDLY NOW

"Sex War," Prophesied For After

War Time Baseless Apprehension

Women Have Gone Into Industry For Patriotism or Necessity and Few Have Any Idea of Joining the "Third Sex" Prated Of.

Germany may hope that the world will forget, but the Men need not deride women as slaves to fashion so world will have as long a memory as the man who loaned long as the masculine portion of mankind clings to coats ten dollars and didn't get it back.

THERE are laws with only time can vindicate and Ariange and a some has one of them, namely, a law prohibiting the employment of any but American citizens on public works. The contractor was employing Mexicons on this work.

Berhaps he was, the was, the trouble is of his own midding, assuming that he have the men not to have been midding, assuming that he have the men not to have been midding, assuming that he have the men not to have been himself, assuming that he have the men not to have been himself, assuming that he have the men not to have been himself, assuming that he have the men not to have been himself, assuming that he have the men not to have been himself, assuming that he have the have been a strong deterrent to boot the road coordination represented themselves for employment in the road coordination and all state, county or maniqual work of whatever character. Everybody knows that common labor it Arisons is accree. It is saily in times of extreme depression in the higher paid infinition and all state dameitans will work on the Arisons.

The contractor in Cockine county has been himmed fiving in Douglass and who have their families there. The many they can in apart with Cechine county part highway.

If the contractor has to use uses but American allator—and he must, under the law-he will have to soor the week to get it. He may mad to California for Spanish.
